CAREER OBJECTIVE

Front-end developer skilled in React and expanding into Next.js, Three.js, and GSAP. Strong adaptability, teamwork, and communication, supported by an IELTS 8.0 score and experience interacting with people from diverse backgrounds. Brings a touch of creativity from light illustration work to enhance UI quality. Seeking a role where I can deepen my front-end expertise and contribute to building modern, user-focused digital experiences.

EDUCATION

North South University, Bangladesh — BSc

May 2025 - Current

Bachelors in Computer Science and Engineering

CGPA - 3.70
